It takes a village for Meals on Wheels Programs & Services of Rockland to serve the community's seniors and homebound neighbors. The agency hopes to rally and mobilize even more volunteers and community members through participation in the national 2014 March for Meals campaign, sponsored by the Meals On Wheels Association of America (marchformeals.com).

Meals on Wheels Programs & Services of Rockland is participating in Community Champions Week March 17-21 by enlisting the support of local businesses and organizations to help deliver meals and raise awareness.

Greater Hudson Bank has already committed to participate by making a donation for each person that visits a local Greater Hudson Bank and "checks in" via social media or by completing a check-in form. No account or purchase will be necessary.

"In this tough economy, the food and human contact we provide to seniors in this community is needed more than ever," said Barbara Kohlhausen, President & CEO of Meals on Wheels Programs & Services of Rockland. Meals on Wheels Programs & Services of Rockland County, Inc. is a not-for-profit community service agency serving the needs of Rockland County residents since 1974.
