

Commissary Volunteer Instructions

Commissary Volunteers may serve in our kitchen Monday through Friday from 7-11am or from 11am-3pm. Volunteers aged 12 years and up may help in our commissary and will report to the Dietary Administrative Assistant or to Commissary Management.

Volunteering not only builds a strong spirit of community, it also looks great on a resume or college application! We expect that all volunteers will arrive promptly, work cooperatively with staff and supervisors and protect client confidentiality.
