YOU MUST SHOW THIS FLYER AT PICK-UP!!

For more than 20 years, the Meals on Wheels network has claimed the month of March to rally communities around its vital service, celebrate our senior neighbors and increase support for this successful public-private partnership that has ensured millions of older Americans can remain healthy and independent at home. **This March, to increase awareness for the cause and have our meals give back to our food insecure homebound Senior neighbors, many Rockland restaurants have given us a day, where a percentage of their sales that day will go to support our county's Seniors, when you mention "Meals on Wheels Rockland".**

Please consider patronizing this caring and generous neighborhood establishment on their day.
