

For more than 20 years, the Meals on Wheels network has claimed the month of March to rally communities around its vital service, celebrate our senior neighbors and increase support for this successful public-private partnership that has ensured millions of older Americans can remain healthy and independent at home.

This March, to increase awareness for the cause and have our meals give back to our food insecure homebound Senior neighbors, many Rockland restaurants have given us a day, where a percentage of their sales that day will go to support our county's Seniors, when you mention "Meals on Wheels Rockland".

Please consider patronizing these caring and generous neighborhood establishments on their day.

*Note: some restaurants noted with an asterisk require a flyer or image of the flyer be presented, you can find these on our website and Facebook page.
