

BIRTHDAY BOX INSTRUCTIONS

A milestone birthday for a senior is a really big deal. We could use your help to make it extra special.

To Prepare:

Fill a small box (no larger than a shoe box) and gather the following items needed for a party!

Include:

- Birthday candles (no matches please!)
- Wall decoration (like streamers, or a Happy Birthday banner)
- Small gift (coloring book, large jigsaw puzzle, house slippers, cute note pad)
- If you like, you can also include extras such as a goody bag filled with small surprises.
- You can also make a birthday card!
- No food or candy please

Then:

- 1 Wrap the book and small gift in birthday paper
- 2 Please wrap lid and box separately as MOWR needs to open and check boxes prior to delivery.
- 3 Fill the wrapped box or bag with the things you have gathered (add colorful tissue paper if you want).
- 4 Then tie the box or bag closed with ribbon.
